Dear Arrohattoc Webelos I and Webelos II Leaders & Cubmasters,

As you are working with the boys in your pack to attain the Webelos rank and the Arrow of Light award, remember that Troop 806 is here to help your den and pack. We want the crossover experience to be a fun and exciting one, so that the boys will stay in scouting through the transition from their elementary school years to the middle school years. We invite you, your Webelos boys, and their parents to attend any or all of the following troop activities. Participating with Troop 806 on one or more of our campouts is the best way to determine if what we offer is what each of your Webelos boy/parent pairs are looking for in a troop. We also encourage boys and parents to attend at least one of our Webelos Information Nights, where the boys can learn what a Boy Scout meeting is like, while parents learn about how they can continue to help and support their sons in the Boy Scout experience.

We meet on Monday nights in the Woodlake United Methodist Church sanctuary at 7:00 pm. Webelos uniforms are appropriate. This year, we have the following special activities planned for Webelos Scouts and would love to hear from you if your boys can participate in any of these activities. A campout flyer with information on dates, times and costs, with the required permission slip, can be found on our troop website, www.troop806.com. Confirmation of attendance and trip payment is requested by the second Monday before each camping trip.

- **September Camping Trip** - Sept 23-25 – Finley Albright Scout Reservation – District Camporee
- **October Webelos Information Night I** - Oct 24 - Woodlake UMC Sanctuary – 7:00pm to 8:30pm - wear Webelos uniform - parents are requested to attend with their sons
